

# Find the Missing Card

## Cards to Use

Two sets of cards 1 - 10

## How to Play

- Start by laying out one set of cards in order, from 1 to 10
- Player 2 looks away while Player 1 secretly removes one of the cards
- Player 1 adjusts the cards so that there is no obvious gap where the card was removed
- Player 2 needs to find out which card was removed, and take the correct card from the second set of cards and place it in the spot where the original card was removed
