
CRAZY NUMBER TRAIN

Preschool

HOW TO PLAY

Setup

- Cut out the conductors and the train cars on the following pages

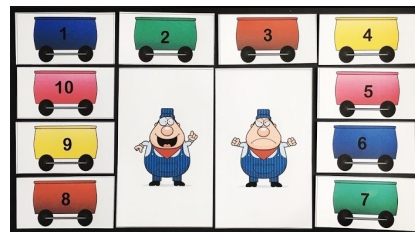

Gameplay

- One player starts as the helpful conductor and the other starts as the grumpy conductor.
- First, the grumpy conductor will build the number train in a crazy number order (not in the correct count sequence).
- Then the helpful conductor will have to re-organize the crazy train back into the correct count sequence order.
- After each round, the players switch their roles.

MATH SKILLS

- Number recognition
- Recite numbers 1-10 in the correct order

2+ players
