## HOW TO PLAY

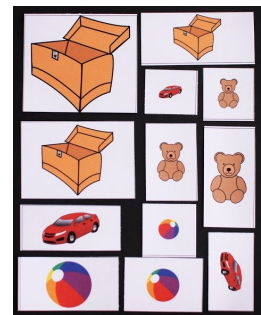

Players take turns to pick a house chore card, according to the card picked; he/she needs to finish that type of house chore, being sure to match the sizes of the items as follows:

- Cleaning up toys: put away the toys according to their sizes (big toys go to the big toy box, medium toys go to the medium box, small toys go to the small box)
- Putting away laundry: put away the clothes according to their sizes (big clothes go to the big toy box, medium clothes go to the medium box, small clothes go to the small box)
- Setting the dinner table: set the dinner table according to their sizes (big plate, bowl and utensils go on the big table, medium items go to the medium table, small items go to the small table)
- Organize the bookshelf: put away books according to their sizes, (big books go on the big book case, medium books go on the medium case, small books go on the small case)
