
MY TURN FOR THE ICE CREAM

Preschool

HOW TO PLAY

Setup

- Cut out the pieces on the following pages

Gameplay

- Players take turns visiting the ice cream stand and drawing a number to wait in line.
- The player needs to place their individual cutout on top of the correct spot in line.
- If the player puts their figure on the correct spot, he/she gets an ice cream cone.
- Whoever gets the most ice cream cones wins the game.
